1. Claims 1-6, 8-15 and 17-22 allowed.
2. The following is an examiner's statement of reasons for allowance:

Claims 1-6 and 8-10 are allowed for the reasons set forth in the previous Office Action with respect to claim 7.

Claims 11-15 and 17-19 are allowed for the reasons set forth in the previous Office Action with respect to claim 16.

Claims 20-22 are allowed for the reasons set forth in the previous Office Action with respect to claim 10.

It is submitted that the closest prior art of record, U.S. Patent No. 4,505,823 does not render the claims obvious because Klein does not teach a lid, and actually teaches away from including a lid by showing that water is to be directly poured into an *open* top of a container.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
